**RESPONSE TO RESTRICTION REQUIREMENT**

Sir:

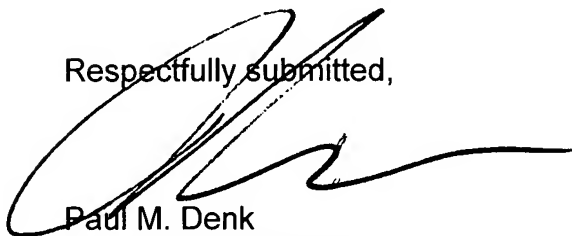

This is a response to the request for restriction advanced by the examiner on December 19, 2005.

Applicant herein initially elects to process the species 1, drawn to Figures 1-2, as specified in the Office action. It would appear the claims relating to this subject matter are claims 1, 2, 3, 4, 5, and 6.

But, it would appear that the embodiments of FIG. 5, which is in Species 2, in addition to FIGS. 22, 23, 25, and 29, are very much related to the species as shown in FIGS. 1 and 2, and should also be processed in association therewith. Hence, the election made herein is done with traverse.

The examiner's further review of this matter would be appreciated.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Paul M. Denk', with a long horizontal flourish extending to the right.
